Profile

- Experienced Programme Manager and Senior Project Manager with a strong track record of delivering large-scale initiatives for organisations including Tate, Deloitte, Capita and EDS, managing programmes with multi-million-pound budgets.
- Degree-educated, holding qualifications in Law and Information Technology, with certifications including PRINCE2 Practitioner, MSP Practitioner, CMMI Assessor, Microsoft Certified Professional, and membership of the Project Management Institute.
- Extensive experience leading Azure and AWS migration programmes, alongside the implementation of Zero Trust Network Architecture initiatives.
- Technical expertise includes AWS, Azure, Citrix XenApp, SAP, Oracle, PowerFuse, network design, and the configuration and implementation of Palo Alto and Zscaler solutions.
- A dynamic and results-driven programme leader with extensive experience in business transformation, infrastructure, hardware and software implementations, and CMMI assessments.

Employment History

Enfield Council

Technical Programme Manager

December 2025 – September 2026

- Managed a portfolio of infrastructure programmes, including the Infrastructure and Network Programme, the Library Improvement Programme, and the Cyber Security Programme.
- Delivered major upgrades across the estate, including new Direct Internet Access, replacement of firewalls, switches and Wi-Fi access points; implementation of a new financial system for libraries; and a cyber-resilience programme to harden security infrastructure.
- Accountable for programme budgets totalling £4 million and for leading teams of more than 20 staff.

Southwark Council

Programme Manager

March 2023 – November 2025

- Led a cloud migration programme encompassing on-premises to Azure migration, SaaS implementation, cloud printing, Zero Trust Network Architecture, SD-WAN, and FinOps.
- Held responsibility for an £8 million programme budget and 3rd party and internal teams of more than 50 staff.

Lambeth Council

Consultant

March 2023 – July 2024

- Provided specialist consultancy support for cloud migration initiatives.

Lambeth Council

Senior Project Manager (Consultant)

September 2021 – March 2023

- Directed the end-to-end delivery of an SD-WAN migration, from tender process through to implementation and completion.
- Managed the full lifecycle delivery of an AWS migration programme.
- Oversaw projects valued at £12 million, leading teams of more than 30 staff.

Sandor Van Vondelen Snijders

OneSource

Senior Project Manager

September 2019 – September 2021

- Led a data centre redesign and migration programme, including Azure migration, Cisco, Palo Alto, and SD-WAN technologies.
- Managed projects valued at £8 million, with responsibility for teams of more than 30 staff.

London Borough of Enfield

Programme Manager, Transformation Programme

February 2019 – September 2019

- Managed a transformation programme covering a Windows 10 rollout, end-user device refresh, Cisco network refresh, contract consolidation, Skype for Business and SAP migration, and data centre migration.
- Directed programme delivery with a budget of £10 million and teams of more than 30 staff.

London Borough of Hammersmith & Fulham

Programme Manager

September 2017 – January 2019

- Led a transformation programme to separate services and data from a shared arrangement with Westminster and Kensington & Chelsea, establishing an independent LBHF service.
- Managed programmes with an average value of £1.5 million and teams of more than 20 staff.

London Borough of Kensington & Chelsea / Westminster

Programme Manager

March 2017 – July 2017

- Conducted a bi-borough technology review and strategic planning exercise covering Windows 10, cloud migration, and Microsoft 365 technologies, including Office 365, Exchange, Skype for Business, SharePoint, OneNote, and Intune, supporting approximately 5,000 users.

London Borough of Islington

Senior Project Manager / Programme Manager

October 2014 – December 2016

- Delivered a council-wide Windows 7 upgrade across 4,000 devices and led the end-to-end implementation of XenApp 7.11.
- Managed the implementation of Office 365, including Exchange mailbox and SharePoint migration.
- Managed programmes with an average value of £1.5 million and teams of more than 20 staff.

Tate Galleries

Senior Project Manager

July 2013 – August 2014

- Led the evaluation and design of a VDI platform using the Dell vWorkspace solution for virtual desktops.
- Managed projects with an average value of £1 million and teams of more than 10 staff.

Truro County Council

Senior Project Manager

February 2013 – July 2013

- Managed an upgrade from Citrix 5.0 to XenApp 6, including the migration of 50 servers, rollout of Windows 7 and Microsoft Office 2010 to 9,000 end users, and migration of 5,000 applications.
- Managed contracts with an average value of £1.1 million and teams of more than 30 staff.

Advanced 365

Senior Project Manager

April 2012 – January 2013

- Delivered the implementation of a Citrix XenApp 6 environment, upgrade to Microsoft Office 2010, deployment of a Zeacom call management system, database migrations, and server virtualisation.
- Managed contracts with an average value of £1 million, leading 7 internal staff and 3 external suppliers.

Deloitte

Senior Project Manager

September 2011 – April 2012

- Led the implementation of a Citrix XenApp 6 environment, upgrade to Microsoft Office 2010 and Exchange 2010, hardware refresh, Windows 7 rollout, telephony core upgrade, and migration from Mitel NuPoint voicemail to Microsoft Exchange 2010 UC.
- Managed a budget of £3.5 million and led 35 internal staff alongside 20 external resources.

Serco

Senior Project Manager

June 2011 – September 2011

- Managed the relocation of staff and hardware between buildings for the London Borough of Ealing.

Agilisys Limited

Programme Manager / Senior Project Manager

September 2010 – March 2011

- Managed the Workplace Strategy Programme and solution proposal phase for migration from Citrix 4 to XenApp 6, front-end and back-end upgrades, deployment of a new software distribution tool, standardisation to Windows 7, implementation of video conferencing, and upgrade to Microsoft Office 2010 for 3,000 users, with a budget of £1.2 million.

Capita UK, Project and Solutions

Senior Project Manager / Programme Manager

August 2006 – August 2010

- Managed major transformation and infrastructure programmes, including transformation at Birmingham City Council, VDI implementation at Durham County Council, a software upgrade at BBC TV Bristol, and data centre migrations for Capita Insurance & Investor Services, Resolution in Glasgow, and Prudential in Reading.

EDS United Kingdom

Project Manager

August 2004 – August 2006

- Managed budgets of up to £4.3 million, reporting to the Senior Programme Manager at EDS, and used PM2 methodology and tools to control budgets, risks, issues, and workloads. Proactively identified customer requirements, analysed key deliverables and success factors, and delivered training and mentoring to support long-term client self-sufficiency.

EDS Netherlands

Project Manager / Bid Manager

September 1997 – August 2004

- Delivered projects for major clients including General Motors, Ericsson, Dow Chemicals, and Vodafone, covering multinational software development and release, IT outsourcing bid leadership, workflow management implementation, Voice over IP deployment, and hardware management initiatives.
